

April, 2010

Dear BalletNJ Families,

It's hard to believe that Ballet NJ's performances of *The Sleeping Beauty* will be starting in a few weeks. Rehearsals have been going very well, and our children are excited about presenting a wonderful show.

The refreshment and boutique tables have become successful additions to our fundraising efforts at all performances. Your participation by donating snacks, water, ice and volunteering time at these tables is very important.

We need your help by donating at least one case of water, one or more bags of ice for one of the 4 performances, and/or a "name brand" snack item such as: packaged candy (i.e. Twizzlers, M&M's, Swedish fish), packaged cookies, packaged snacks (i.e. Cheez-its, chips, pretzels). All items are sold for \$1.00 each.

We need food items for all 4 performances, and we need volunteers to serve behind the boutique and snack tables. The tables are open before and after all performances and during the intermission. Volunteers will help set-up before the performance and help clean-up after the event. Please note that if you have back stage obligations, please sign-up for that event before volunteering for the snack or boutique tables.

Please R.S.V.P. Rosemary Gallagher with times and dates that you can assist at one of these tables. All families are needed for this effort.

Donations of water and dry items need to be brought to the ballet school during the weekend of Sat.-Sun., April 17-18. Ice needs to be delivered to the theater by 12:30pm before each performance. If you have any questions or suggestions, please contact by phone or email:

Grace Baillargeon - (856) 424-8214 or [gmcbaillargeon@aol.com](mailto:gmcbaillargeon@aol.com).

Thank you for making these tables a continued success.

Rosemary Gallagher
